We are MadHacks!

After a successful spring event, MadHacks is back in full force to run the premiere hackathon in the midwest. We are a student-run organization that aims to bring together software developers, hardware engineers, and graphic designers for a special weekend of making the impossible.

We provide our hackers an opportunity to push their boundaries, cultivate their curiosity, and challenge the status quo.

At our fall event, over 350 driven students will come to the University of Wisconsin-Madison for 24 hours of building technology that has the potential to make a difference in the world!

At our spring event, we had...

500+
APPLICATIONS

20%

Sponsorship Experience

We are excited to hold another MadHacks event fully in person for fall 2023. Sponsors are what allows our event to thrive and create a positive experience for our hackers. Whether it be through sharing your own experiences, providing technical mentorship, or introducing hackers to exciting opportunities, you're helping us to shape the lives of many emerging developers, designers, and builders.

Recruitment

Resumes and Profiles

Have access to resumes, GitHub repositories, and LinkedIn profiles of some of the most competitive students in the tech industry.

Watch Project Development

Observe the ultimate "behavioral interview." You will see how participants function in a high-pressure project delivery environment.

Recruiters

Send recruiters to talk directly to our participants about summer internships or full-time jobs at our mini career fair before and throughout the event.

Onsite Interviews

Conduct on-site interviews with hackers in a private room to find the person who is the best fit for your company.

Connection

Sponsor Prizes

Sponsor a specific prize that encourages hackers to use your platform or inspires them to build a solution to a problem that you are passionate about.

Mentorship

Send mentors to assist our participants in using your company's API or platform.

Brand Marketing

Introduce Yourself

Showcase your company and product to over 350 driven individuals who are passionate in the field of technology.

Brand Recognition

Offer promotional materials (stickers, t-shirts, water bottles, etc.) to build brand recognition.
